

## **ABOUT THT'S CHRISTMAS PERFORMANCES**

This informal, intimate showcase is a unique opportunity for our dancers to “practice” performing in front of an audience. All dances performed are shorter in length than our recital dances, the costumes are less showy and the performance venue is significantly smaller than the Westmoore High School Auditorium used for our recitals in June 2019. Please prepare your guests for this fantastic, quick, showcase of our amazing dancers’ talents. We are always so proud of the accomplishments of all our dancers in their quest to further their dance education fun! We look forward to incredible shows once again!
